November 10<sup>th</sup>, 2022

***“God’s love has been poured into our hearts through  
the Holy Spirit that has been given to us”. Romans 5:5***

Summer revisited us later this Fall but we find ourselves again in that liminal space between the change of seasons. After the excitement of back-to-school and Harvest Thanksgiving has passed we traditionally set aside this time in the Fall to reflect on our stewardship of God’s abundance, both as individuals and as a community of faith – the body of Christ in the world.

Our Stewardship theme for 2022 has been God’s Love Poured Out and we have witnessed the abundance of God’s love shared in time, talent, and treasure beyond anything we could ask or imagine. This year, we will not be gathering for our traditional Intention Lunches/Dinners, but we still welcome and value your feedback on the worship and other ministries of St. Luke’s. Your trustees (wardens and clergy) are interested in hearing your insights on opportunities for us to grow and serve as a parish family.

Included in your Stewardship Intention package this year is our Narrative Budget, a resource on Grief, and a sample of Tru-Earth Laundry Eco-strips. Please take time to review the material enclosed with this letter. You will also find an Intention Card enclosed – we ask you to prayerfully consider how you can respond to God’s abundance in support of our participation in God’s mission and ministry. Our service on December 4<sup>th</sup> will include a time to offer these intentions for supporting our parish vision in 2023. If you are not able to attend on December 4<sup>th</sup>, or need more time to review the material, we invite you to return the Intention Card by hand or by mail by mid-December. If you have any questions, please call.

In Christ’s service,
